20-24 MAY

Love God

RELIGIOUS

BY LOVING OUR NEIGHBOUR

According to a study by the Pew Research Centre, Singapore is the most religiously diverse country in the world. Over 80% of our population have some form of religious affiliation. This year's Aldersgate sermon will reflect on the story of two religious persons in Acts 10 who experienced God in a deeper way.

As we remember John Wesley's heart-warming experience on Aldersgate Day, may our own hearts be warmed to obey God's command to love Him by loving our neighbours, including those of other faiths and beliefs.
